

Paxton Mobile Trucks

A range of heavy-duty mobile containers, with optional lids, for dry powders or liquid ingredients, materials or components.

- Robust, rotationally moulded construction for long working life
- Stepped side-walls provide additional load support
- Tapered nesting design saves space when not in use
- Large 75mm castors help ride uneven floor surfaces
- Smooth lines for easy emptying and cleaning
- Your choice of castors... (swivel, fixed, swivel braked, fixed braked)

Material: Food Grade MDPE (Medium Density Polyethylene)
